A must go place in Singapore.

Tip Rating: ★★★★★

Alkaff Bridge

Written by [bryINpoland](#) on January 8, 2006.

Alkaff Bridge was built in 1997 but became famous when the 55 metre bridge was repainted in 2003 by Pacita Abad in 52 different colours that took over a month to finish. Today the bridge is sometimes called Pacita bridge due to her passing in 2004 to cancer. The colourful bridge is a great addition to an already colourful Robertson Quay.
