MAKE·A·WISH.

22 September 2004

Ms. Pacita Abad
28 Temenggong Road
Singapore 098775

Dear Pacita,

On behalf of the Make-A-Wish Foundation® Singapore please accept our sincere gratitude for your precious time and your contribution of a book on your artwork. Klein was truly overwhelmed and thrilled with the special present. Your generosity helped to make this wish so memorable – thank you!

Including Klein's wish, we have granted 44 wishes to date and are in the process of granting an addition 21. Our goal is to expand our outreach efforts so that every medically eligible child in Singapore will have his or her wish fulfilled just as Grace has.

As you may know, the mission of our Foundation is to grant wishes to children who are between the ages of 3 to 18 and have life-threatening illnesses. Although wishes cannot cure these children, it is our hope that the wish experience will enrich the lives of the children and their families with hope, strength and joy.

Our Foundation never solicits over the phone or door-to-door, so we depend entirely upon the generosity of the community and generous donors to continue turning dreams into reality for so many special children. On behalf of our wish children and their families, thank you again for your support.

Sincerely,

Amy Vidmar
Managing Director
