#### "Mask Making with Textile Artist Pacita Abad" A Hands-on Art Workshop for Children

Children ages 9-12 are invited to join Pacita Abad as she shares her expertise in this mask making/collage activity. Abad combines painted surfaces and decorative objects such as mirrors, shells and beads. Participants will learn her techniques as they complete their own project. This activity is sponsored in connection with the exhibition *Artist + Community: Pacita Abad*.

**Free!** Reservations required.

## AROUND *the* MUSEUM

*Filipina artist Pacita Abad leads a mask-making workshop at NMWA. She says, "I enjoy working with kids the most. They are experimental with materials and use whatever is available. They are the most inquisitive and the least inhibited. They get me back to the basics."*
